

## IN THE WORKS

### Notes

From time to time locomotives and stock may be loaned out to other railway centres for static display or to operate services. Main line certified engines may be temporarily stabled away from home in order to undertake mainline duties. Guest Locomotives and rolling stock are included. These may be stabled at Tyseley Locomotive Works for attention or using Tyseley as an operating base, including use on Vintage Trains charter trains. Items marked 'p' are privately owned and not part of the Tyseley collection.

Please note that this list is maintained by volunteers and may not be complete at the date shown.

**Some locomotives and rolling stock may not be on view in areas accessible by visitors to Tyseley Locomotive Works. Visitors are only admitted to the works site on Tyseley Open Days.**

Locomotives in private ownership unless otherwise stated.
